Re: Centocor v. Genentech and City of Hope

Dear Matthew:

I am responding to your letter of April 21. You have never identified the specific deposition questions or privilege instructions that have been the subject of your correspondence about the deposition of Dr. Cabilly. I would appreciate if you would identify these questions and instructions, by page and line number, so we can communicate clearly on this issue and resolve any differences, if indeed there are any.

I note that my letter did not concede that any instruction was without basis, as you have asserted. It would be helpful to know which questions and instructions you are referring to in order to avoid any further misunderstandings.

Very truly yours,

Joseph M. Lipner
